

MEDIA ADVISORY

FOR IMMEDIATE RELEASE

Date: Friday, July 20, 2012
Location: Fresno
Contact: Project Hotline, 1-(855)265-6118, TTY Users -711
Email: vmurray@brosamer.com

ACCESS TO CONSTRUCTION SITE

Please advise all Field Media Personnel; lane closures apply to media vehicles as well as any other. Unauthorized intrusions into the work areas present a significant risk to our crew, to the traveling public, and to you. Anyone desiring entry during construction activities should contact Caltrans in advance to coordinate escorted opportunities to film during active work periods. Regular notices will continue to be given prior to major activities, especially lane closures, as the project progresses. In addition there is a website at www.dot.ca.gov/dist6/ which will continue to be updated with activity as our schedule develops so that you can be kept aware of what is going on. R&L Brosamer is committed to executing this project in the safest fashion possible, and we appreciate your cooperation in this matter.

Caltrans & R&L Brosamer, Inc. thank commuters, businesses and residents of Fresno County for their patience during the construction of the State Route 180 Braided Ramps Design Build Project. For further information please contact Veronica Murray at R&L Brosamer Hotline number 1-(855) 265-6118, TTY Users - 711. Project information can be found on the Project Website online www.dot.ca.gov/dist6/
