#### FY 2017-2018 BUDGET PROPOSAL Approve by the FCTA Board on June 7, 2017

This is the eleventh line-item budget of the Measure C Extension Program for the Authority.

The sales tax revenue estimate is based on revenue to be received during the 2017-18 fiscal year resulting from the Extension of the Measure C Sales and Use Tax which began July 1, 2007. The interest earnings estimate is also based on funds on deposit related to the Measure C Extension Program. This interest revenue includes estimated earnings from Fresno County Transportation Authority funds on deposit with the Fresno County Treasury Pool. Remaining appropriations of any contracts in progress will be encumbered in June 2017 to recognize the incurred liability and associated appropriation.

#### **O**BJECTIVE

To provide personnel support services to the Fresno County Transportation Authority.

#### DISCUSSION

In November, 1986 the voters of Fresno County approved Measure C, a 1/2% sales tax increase for transportation purposes. This tax was scheduled to expire on July 1, 2007, however, by virtue of a regional consensus oriented process, the voters of Fresno County chose to reauthorize or extend the ½ cent sales tax in November 2006. The reauthorized sales tax is anticipated to raise approximately \$1.7 billion in revenue for transportation purposes. The Fresno County Transportation Authority is responsible for administration and implementation of the sales tax revenue. The Authority and Fresno COG have executed a contract to have Fresno COG provide salary and personnel administration.
